

We collect personal information about individuals in a computer system called a Homeless Management Information System (HMIS) for reasons that are discussed in our privacy policy. We may be required to collect some personal information by organizations that fund the operation of this program. Other personal information that we collect is important to run our programs, to improve services for individuals, and to better understand the needs of individuals. In order to provide or coordinate individual referrals, case management, housing or other services, some client records may be shared with other organizations that are required to have privacy policies in place in order to protect your personal information.

We only collect information that we consider appropriate. If you have any questions or would like to see our privacy policy, our staff will provide you with a copy. You have the right as a client to decline to share your information.
