Bay Area Turning Point's Christmas Store

Holiday donations collected will benefit clients living in our emergency shelter and those participating in our non-residential housing program. We would like to express our gratitude for the generous donors and volunteers who make Christmas Store possible.

BATP's Christmas Store will operate from December 17 to December 21. Volunteers are needed between 10:00 am and 6:00 pm to assist with store set-up/breakdown, gift selection and gift wrapping.

Those interested in volunteering should contact our Volunteer Services Program, at 281-338-7600 or volunteer@bayareaturningpoint.com
